

Bicycles Left in the Park Will Be Removed

(Ohanajaya Park is within a bicycle parking control area.)

Bicycle removal starts: Monday, September 7, 2026

Even while using the park, if you leave the park and 1 hour passes after a warning tag is attached, your bicycle may be removed. Bicycles left for more than 1 hour will be considered “abandoned bicycles” and subject to removal.

• Notice to Park Users

- ✓ A warning tag will be attached before an abandoned bicycle is removed. When using the park, please check your bicycle periodically.
- ✓ If you see a warning tag being attached to your own bicycle while using the park, please speak to the on-site worker.
- ✓ If a warning tag has been attached to your own bicycle while using the park, please remove the warning tag.
